## Selection of applications

The selection may include verification of curricular requirements, a test or an interview, as provided by each Department. All procedures are indicated in the annexes to the call for applications.

## Enrollment

The enrollment procedure is carried out online according to the rules available in the attachments to the call for applications.

## Fees

All fee regulations are contained in the [Regolamento Tasse](#) published in the Portale dello Studente.

As a result of the legislative changes on student fees introduced by Law 11 December 2016, no. 232, "Budget Law 2017", in order to calculate the first installment of fees, it is necessary to submit the ISEE declaration for university benefits.

The declaration can be submitted as early as January 15, 2022. At the time of registration for the test assessment of basic knowledge or enrollment or renewal of enrollment you must authorize the University to acquire the declaration from the INPS database. Failure to submit the declaration will result in automatic classification in the highest bracket.

Tuition payments are made through the "PagoPA" method. PagoPA bills can be paid through the [app IO](#), online with a credit card or at the over 350 Payment Service Providers (PSPs) participating in PagoPA. The complete and updated list of PSPs is published on the AGID website: <https://www.pagopa.gov.it/it/dove-pagare/>.

The call for admissions is published every year on the website <https://www.laziodisco.it/>. In addition to the competitive services, DiSCo Lazio provides the canteen service and other general services, all described on its website.
